ADDITIONAL INFORMATION

Families may choose to enroll their child in one or more OKECC program option(s) at any point during the year, and the annualized fee will be prorated as applicable. Space, however, is limited for all program options and cannot be guaranteed. We therefore recommend enrollment as soon as possible and preferably from the start of the year. If a program option is filled, a waitlist will be maintained.

Families should review the *OKECC 2017-2018 Enrichment Activities Guide* for more information on the program. In regards to Monday's Art enrichment only, if enough age 4/5's are on the waitlist to support the costs of opening a second class, then the children will be grouped such that enrollees in our Half Day Program will have Art from 1:15pm-2:30pm and enrollees in our Full Day Program will have Art from 2:45pm-4pm.

In the event a family decides to withdraw their child from the Early Drop-Off or Enrichment Activities option, two weeks written notice to the OKECC Director or OKECC Assistant Director must be provided and the child's associated program costs for those remaining two weeks will be due regardless of attendance.

In the event a family decides to withdraw their child from the Extended Afternoon option, four weeks written notice to the OKECC Director or OKECC Assistant Director must be provided and the child's associated program costs for those remaining four weeks will be due regardless of attendance.

*Early Drop-off for children enrolled in the Half Day Program is for families dropping off any time between 7:30am and 9:00am. After 9:00am, families are expected to wait until class starts at 9:15am. Children enrolled in the Full Day Program may arrive each day starting at 7:30am as part of their tuition.

**All children enrolled in the Enrichment Activities Program will have a quiet time and bathroom break from 1:00pm to 1:15pm, and then transition to the applicable activity. Children enrolled in the Half Day Program are to be picked up by 2:30pm. Children enrolled in the Full Day Program will be walked by an educator back to their classroom.

***Extended Afternoon for children enrolled in the Half Day Program is for families picking up any time between 1:00pm and 6:00pm (or by the applicable Shabbat closing time on Fridays). Families may enroll for a maximum of two afternoons per week based on space available. Availability is based on class enrollments and may not be open for all age groups.

^Costs have been adjusted for certain Enrichment Activities to reflect consecutive reduced number of sessions due to the High Holidays.

+Families who would like their child to participate in the Enrichment Activities Program, on the same day their child is signed up for Extended Afternoon, must sign up separately for the applicable enrichment as directed on the *Ohr Kodesh Early Childhood Center 2017-2018 Program Options Enrollment Contract*.
